

In this page show today no available for delivery next I click other scheduled date then again also show your order not delivered today so change I scheduled other date don't shown the not delivery today because I selected vary dates so why show again .

FAQ's

[View All >](#)

1. What is INKWYL? 

2. How do I place an order? 

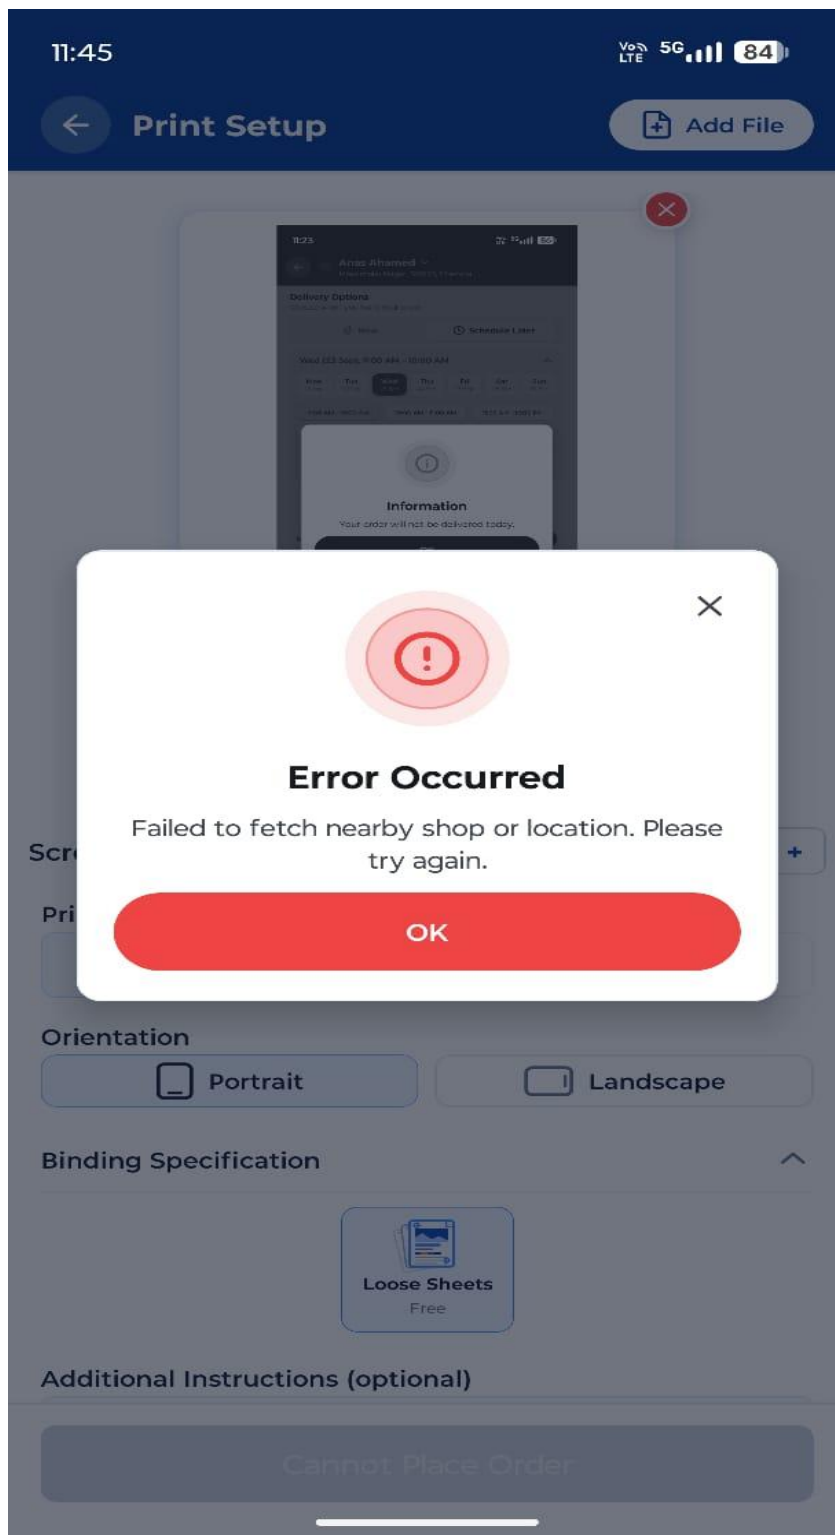

3. What file formats are supported? 

4. Is there a maximum file size for uploads? 

5. What printing options are available? 

Depending on the printing partner, you may choose Black & White or Colour, Single or Double-sided, A4/A3/Legal paper sizes, orientation, copies, stapling, spiral/hard binding, and lamination.

Change the font size for good looking and its look not well.
